

PUBLIC INFORMATION CENTER NOTICE
Carteret Avenue Pedestrian Safety Improvements
NJDOT Safe Routes to School Program

Pursuant to the Open Public Meetings Act (P.L. 1975, c. 231), the Borough of Carteret invites you to participate in a Public Information Center (PIC) to discuss the proposed Carteret Avenue Pedestrian Safety Improvements Project, which includes the replacement of curb ramps and crosswalks along Carteret Avenue between Varga Drive and Roosevelt Avenue.

When:

Tuesday, September 9, 2025
5:00 p.m. – 7:00 p.m.

Where:

Thomas Deverin Community Center
100 Cooke Avenue
Carteret, NJ 07008

The purpose of this Public Information Center is to inform the public about the proposed pedestrian safety improvements along Carteret Avenue being advanced through the NJDOT Safe Routes to School (SRTS) Program. The project is intended to enhance pedestrian accessibility and safety for students and residents traveling to and from nearby schools and community destinations.

The meeting will be conducted in an “open house” format, meaning members of the public are welcome to attend at any time between 5:00 p.m. and 7:00 p.m. Project plans will be available for review, and representatives from the project design team will be present to answer questions and receive feedback.

Written comments may also be submitted at the meeting or mailed/e-mailed after the session. Input received will be considered as the project advances through final design. Your participation is vital to the success of this project, and the Borough encourages all residents, business owners, and stakeholders to attend and share their perspectives.

Comments may also be submitted via e-mail (tjclarke@cmeusa1.com) or mail:
