REPORT OF INDEPENDENT AUDITORS

To the Board of Commissioners
Housing Authority of the Borough of Carteret:

Report on the Financial Statements

We have audited the accompanying financial statements of the Housing Authority of the Borough of Carteret (the "Authority") as of and for the year ended December 31, 2017, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Authority as of December 31, 2017, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of pension contributions and schedule of net pension liability be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The schedule of expenditures of federal awards is presented for the purpose of additional analysis as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and is not a required part of the basic financial statements. The accompanying financial data schedule is also not a required part of the basic financial statements and is presented for the purposes of additional analysis as required by the U.S. Department of Housing and Urban Development.

The schedule of expenditures of federal awards and financial data schedule are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In our opinion, the schedule of expenditures of federal awards and financial data schedule are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 17, 2018 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

**HOUSING AUTHORITY OF THE BOROUGH OF CARTERET
MANAGEMENT'S DISCUSSION & ANALYSIS
DECEMBER 31, 2017**

As Management of the Housing Authority of the Borough of Carteret ("the Authority"), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended December 31, 2017. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements as presented elsewhere in this report.

A Financial Highlights

1. The assets and deferred outflows of resources of the Authority exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$616,904 (net position) as opposed to \$735,560 for the prior fiscal year.
2. As of the close of the current fiscal year, the Authority's proprietary fund reported ending unrestricted net deficit of \$781,972.
3. The Authority's cash and cash equivalent balance (including restricted cash) at December 31, 2017 was \$2,600,402 representing an increase of \$740,690 from the prior fiscal year.
4. The Authority had total operating revenues of \$8,982,197 and total operating expenses of \$9,068,860 for the year ended December 31, 2017.
5. The Authority's capital outlays for the fiscal year were \$21,677.
6. The Authority's expenditures of federal awards amounted to \$7,824,831 for the fiscal year.

B. Using the Annual Report

1. Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's basic financial statements. The Authority's basic financial statements and notes to financial statements included in this report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for proprietary fund types.

**HOUSING AUTHORITY OF THE BOROUGH OF CARTERET
MANAGEMENT'S DISCUSSION & ANALYSIS
DECEMBER 31, 2017**

B. Using the Annual Report (continued)

2. Basic Financial Statements

The basic financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of a Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position and Statement of Cash Flows.

The Statement of Net Position presents information on all the Authority's assets and deferred outflows of resources, and liabilities and deferred inflows of resources, with the difference between the two reported as net position. Increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position presents information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of unrelated cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., depreciation and earned but unused vacation leave).

The Statement of Cash Flows presents relevant information about the Authority's cash receipts and cash payments during the year.

The basic financial statements report on the Authority's activities. The activities are primarily supported by HUD subsidies and grants. The Authority's function is to provide decent, safe and sanitary housing to low income and special needs populations. The basic financial statements can be found on pages 12 - 16 in this report.

3. Notes to Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements. The Notes to Financial Statements can be found in this report after the basic financial statements.

B. Using the Annual Report (continued)

4. Supplemental Information

The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). The Schedule of Expenditures of Federal Awards can be found on page 37 of this report.

C. The Authority as a Whole

The Authority's net position decreased during the fiscal year as detailed on the next page. The Authority's revenues are primarily subsidies and grants received from HUD. The Authority receives subsidies each month based on a pre-approved amount by HUD. Grants are drawn down based on need against a pre-authorized funding level. The Authority's revenues were not sufficient to cover all expenses during the fiscal year.

By far, the largest portion of the Authority's net position reflects its investment in capital assets (e.g., land, buildings, equipment and construction in progress). The Authority uses these capital assets to provide housing services for its tenants consequently these assets are not available for future spending. The unrestricted net position of the Authority is available for future use to provide program services.

C. The Authority as a Whole (continued)

- HUD operating grants increased \$211,624 from 2016 to 2017 as a result of the Capital Fund program utilizing \$178,172 more of their allocation for operations and an increase in Housing Choice Vouchers Program funding of \$39,995, which was offset by the Low Rent Public Housing Program receiving \$6,543 less in subsidy and
- Other operating expenses decreased \$71,441 from December 31, 2016 to December 31, 2017 primarily due to decreases in employee benefit costs and salaries.
- Administrative expenses (including tenant services) decreased \$154,974, primarily due to decreases in employee benefit costs of \$194,781.
- Utility expenses decreased from \$741,690 in 2016 to \$711,126 in 2017 primarily due to decreases in labor and employee benefit costs.
- Ordinary maintenance and operations expense increased from \$567,541 to \$634,424 from 2016 to 2017 primarily due to the increase of allocated salaries and benefits.
- Housing assistance payments increased \$119,544 as the Authority had seventy-five (75) more unit months under lease in the Housing Choice Voucher Program.

a. Budgetary Highlights

For the year ended December 31, 2017, individual program or grant budgets were prepared by the Authority and were approved by the Board of Commissioners. Also, the Authority adopted a comprehensive annual budget for the general fund. The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency. As indicated by the Statement of Revenue, Expenses and Changes in Net Position, the Authority's net position decreased during the fiscal year.

DECEMBER 31, 2017**

C. The Authority as a Whole (continued)

b. Capital Assets and Debt Administration

1. Capital Assets

As of December 31, 2017, the Authority's net investment in capital assets for its Proprietary Fund was \$1,358,324. This investment in capital assets net of related debt includes land, buildings, equipment and construction in progress, offset by accumulated depreciation and capital debt.

Major capital assets purchased during the fiscal year totaled \$21,677, of which all pertained to expenditures made in accordance with the Authority's Capital Fund Program. These activities are funded by grants from HUD.

Additional information on the Authority's capital assets can be found in the notes to the financial statements, which is included in this report.

2. Bonds Payable

Bonds payable relate to the leveraging of the Authority's future Capital Grants.

During 2004, the Authority entered into a Capital Fund leveraging pool. The New Jersey Housing and Mortgage Finance Agency issued tax exempt, twenty year Capital Fund Program Revenue Bonds, 2004 Series A on December 23, 2004. The Authority's share of funds from the bond issue pool amounted to \$2,050,000.

Repayment of the funds leveraged shall be budgeted from Capital Fund allocations received by the Authority from the Department of Housing and Urban Development. Interest accrues at 4.12% and is payable semi-annually on May 1st and November 1st. The bonds were paid off during the year ended December 31, 2017.

On December 28, 2017, the Authority entered into a tax exempt, forty year bond with Lakeland Bank. The Authority's share of funds from the bond amounted to \$2,300,000. The funds received are restricted and must be spent in accordance with HUD approved capital repairs and improvements schedules.

MANAGEMENT'S DISCUSSION & ANALYSIS
DECEMBER 31, 2017**

C. The Authority as a Whole (continued)

The loan is secured by a first lien on the property. Interest accrues at 3.625% annually and matures on January 1, 2048. The loan is shown net of debt issuance costs of \$154,356.

See Note 7 in the Notes to the Financial Statements for more information.

c. Economic Factors and Next Year's Budgets and Rates

The following factors were considered in preparing the Authority's budget for the fiscal year ended December 31, 2018:

1. The state of the economy.
2. The need for Congress to fund the war on terrorism.
3. The use of the Authority's unrestricted cash to fund any shortfalls rising from an economic downturn and reduced subsidies and grants. The Authority's unrestricted cash appears sufficient to cover any shortfall.

d. Contacting the Authority's Financial Management

The financial report is designed to provide a general overview of the Authority's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Eric Chubenko, Executive Director, Housing Authority of the Borough of Carteret, 96 Roosevelt Avenue, Carteret, NJ 07201.

HOUSING AUTHORITY OF THE BOROUGH OF CARTERET
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2017

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Housing Authority of the Borough of Carteret (the "Authority") is a governmental, public corporation created under federal and state housing laws as defined by State statute (N.J.S.A. 4A:12A-1, et. Seq., the "Housing Authority Act") for the purpose of engaging in the development, acquisition and administrative activities of the low-income housing program and other programs with similar objectives for low and moderate income families residing in the Borough of Carteret, New Jersey (the "Borough"). The Authority is responsible for operating certain low-rent housing programs in the Borough under programs administered by the U.S. Department of Housing and Urban Development ("HUD"). These programs provide housing for eligible families under the United States Housing Act of 1937, as amended.

The Authority is governed by a board of commissioners which is essentially autonomous but is responsible to HUD and the State of New Jersey Department of Community Affairs. An executive director is appointed by the Authority's Board of Commissioners to manage the day-to-day operations of the Authority.

B. Basis of Accounting/ Preparation of Financial Statements

The Authority's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

The Authority's financial statements are prepared in accordance with GASB 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*, as amended ("GASB 34"). GASB 34 requires the basic financial statements to be prepared using the economic resources measurement focus and the accrual basis of accounting and requires the presentation of a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position and Statement of Cash Flows. GASB 34 also requires the Authority to include Management's Discussion and Analysis as part of the Required Supplemental Information.

The Authority's primary source of non-exchange revenue relates to grants and subsidies. In accordance with GASB 33, *Accounting and Financial Reporting for Non-exchange Transactions* ("GASB 33"), grant and subsidy revenue are recognized at the time eligible program expenditures occur and/or the Authority has complied with the grant and subsidy requirements.

On January 30, 2008, HUD issued *PIH Notice 2008-9*, which requires that housing assistance payments ("HAP"), under proprietary fund reporting, should be reported as restricted net position with the associated cash and investments also being reported as restricted. Any unused administrative fees should be reported as unrestricted net position, with the associated assets being reported as unrestricted.

B. Basis of Accounting/ Preparation of Financial Statements (continued)

Both administrative fee and HAP revenues continue to be recognized under the guidelines set forth in GASB 33. Accordingly, both the time and purpose restrictions, as defined by GASB 33, are met when these funds are available and measurable, not when these funds are expended. The Section 8 Housing Choice Voucher program is no longer a cost reimbursement grant, therefore the Authority recognizes unspent administrative fee and HAP revenue in the reporting period as revenue for financial statement reporting.

In accordance with 2 CFR 200.305(b)(9), any investment income earned up to \$500 on these funds may be retained by the Authority. Amounts in excess of \$500 must be remitted annually to the Department of Health and Human Services, Payment Management System.

The Authority adopted GASB 68, *Accounting and Financial Reporting for Pensions* ("GASB 68"). GASB 68 established standards for measuring and recognizing assets, liabilities, deferred outflows of resources, deferred inflows of resources, and expenditures associated with pension plans of State and Local Governments. For defined benefit pensions, GASB 68 identifies the methods and assumptions that should be used to project benefit payments, discount projected benefit payments to their actual present value, and attribute that present value to periods of employee service. In addition, GASB 68 details the recognition and disclosure requirements for employers with liabilities to a defined benefit pension plan and for employers whose employees are provided with defined contribution pensions.

C. Reporting Entity

In accordance with GASB 61, *The Financial Reporting Entity Omnibus - An Amendment of GASB Statements No. 14 and No. 34*, the Authority's basic financial statements include those of the Authority and any component units. Component units are legally separate organizations whose majority of officials are appointed by the primary government or the organization is fiscally dependent on the primary government and there is a potential for those organizations either to provide specific financial benefits to, or impose specific financial burdens on, the primary government. An organization has a financial benefit or burden relationship with the primary government if any one of the following conditions exist:

1. The primary government (Authority) is legally entitled to or can otherwise access the organization's resources.
2. The primary government is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization.
3. The primary government is obligated in some manner for the debt of the organization.

Based upon the application of these criteria, this report includes all programs and activities operated by the Authority. There were no additional entities required to be included in the reporting entity under these criteria in the current fiscal year. Furthermore, the Authority is not included in any other reporting entity on the basis of such criteria.

D. Description of Programs

The Authority maintains its accounting records by program. A summary of the significant programs operated by the Authority is as follows:

Public and Indian Housing Program

The Public and Indian Housing Program is designed to provide low-cost housing. Under this program, HUD provides funding via an annual contributions contract. These funds, combined with the rental income received from tenants, are available solely to meet the operating expenses of the program.

Section 8 Housing Choice Vouchers

The Authority administers a program of rental assistance payments to private owners on behalf of eligible low-income families under Section 8 of the Housing and Urban Development Act of 1974. The program provides payments covering the difference between the maximum rental on a dwelling unit, as approved by HUD, and the amount of rent contribution by a participating family.

Public Housing Capital Fund Program

The purpose of the Public Housing Capital Fund Program is to provide another source of funding to cover the cost of physical and management improvements and rehabilitation on existing low-income housing and improving the office facilities. Funding for this program is provided by grants from HUD.

E. Cash and Cash Equivalents

New Jersey authorities are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States, or the State of New Jersey, or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey Authorities. The Authority is required to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act ("GUDPA"). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey.

N.J.S.A. 17:9-42 requires governmental units to deposit public funds only in public depositories located in New Jersey, when the funds are secured in accordance with GUDPA.

HUD requires housing authorities to invest excess funds in obligations of the United States, certificates of deposit, or any other federally insured investment.

HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Cash and Cash Equivalents (continued)

It is the Authority's policy to maintain collateralization in accordance with state and HUD requirements.

F. Accounts Receivable

Rents are due from tenants on the first day of each month. As a result, accounts receivable balances primarily consist of rents past due and vacated tenants. An allowance for doubtful accounts is established to provide for all accounts, which may not be collected in the future for any reason. Collection losses on accounts receivable are charged against the allowance for doubtful accounts.

The Authority recognizes a receivable from HUD and other governmental agencies for amounts billed but not received and for amounts unbilled, but earned as of year-end.

G. Allowance for Doubtful Accounts

The Authority periodically reviews all accounts receivable to determine the amount, if any, that may be uncollectable. If it is determined that an account or accounts may be uncollectable, the Authority prepares an analysis of such accounts and records an appropriate allowance against such amounts.

H. Prepaid Expenses

Prepaid expenses represent amounts paid as of year-end that will benefit future operations.

I. Capital Assets, Net

Capital assets are stated at cost. Expenditures for repairs and maintenance are charged directly to expense as they are incurred. Expenditures determined to represent additions or betterments are capitalized. Upon the sale or retirement of capital assets, the cost and related accumulated depreciation is eliminated from the accounts and any related gain or loss is reflected in the Statement of Revenues, Expenses and Changes in Net Position. Depreciation is calculated using the straight-line method based on the estimated useful lives of the following asset groups:

- | | |
|--------------------------|----------|
| • Buildings | 40 Years |
| • Leasehold Improvements | 15 Years |
| • Office Furniture | 10 Years |
| • Equipment and Vehicles | 5 Years |
| • Computers | 3 Years |

The Authority has established a capitalization threshold of \$1,000.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

J. Impairment of Long Lived Assets

The Authority evaluates events or changes in circumstances affecting long-lived assets to determine whether an impairment of its assets has occurred. If the Authority determines that a capital asset is impaired, and that impairment is significant and other-than-temporary, then an impairment loss will be recorded in the Authority's financial statements. For the year ended December 31, 2017, no impairment loss was recognized.

K. Prepaid Tenant Rents

The Authority's prepaid tenant rents primarily consists of the rental income received from residents applicable to future periods.

L. Compensated Absences

The Authority uses the vesting method for the recording of compensated absences whereas benefits are accrued at the balance sheet date for which payment is probable. Compensated absences represent amounts to which employees are entitled based on accumulated leave earned in accordance with the Authority's Personnel Policy. Unused sick leave may be carried to future periods and used in the event of extended illness. Upon normal retirement employees hired prior to July 21, 1998 shall be reimbursed at the current rate of 100% of accumulated sick leave. Employees hired after July 21, 1998 shall be reimbursed for 50% of accumulated sick leave up to a maximum of \$15,000. Generally, employees may be compensated for unused vacation in the event of retirement or termination of service.

M. Inter-Program Receivables and Payables

Inter-program receivables/payables are current, and are the result of the use of the Public Housing Program as the common paymaster for shared costs of the Authority. Cash settlements are made periodically, and all inter-program balances net to zero. In accordance with GASB 34, inter-program receivables and payables are eliminated for financial statement purposes.

N. Operating Revenues and Expenses

The Authority defines its operating revenues as income derived from charges to residents and others for services provided, as well as government subsidies and grants used for operating purposes. Operating expenses are costs incurred in the operation of its program activities to provide services to residents and others. The Authority classifies all other revenues and expenses as non-operating.

O. Taxes

The Authority is a unit of local government and is exempt from real estate, sales and income taxes.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

P. Use of Management Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the allowance for doubtful accounts, accrued expenses and other liabilities, depreciable lives of properties and equipment, and contingencies. Actual results could differ significantly from these estimates.

Q. Equity Classifications

Equity is classified as net position and displayed in three components:

Net investment in capital assets - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

Restricted net position - Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted net position - All other net position that does not meet the definition of "restricted" or "net investment in capital assets."

R. Economic Dependency

The Section 8 Housing Choice Vouchers and Public and Indian Housing Programs of the Authority are economically dependent on operating grants and subsidies from HUD. The programs operate at a loss prior to receiving the grants.

S. Budgets and Budgetary Accounting

The Authority is required by contractual agreements to adopt annual, appropriated operating budgets for all its programs receiving federal expenditure awards. All budgets are prepared on a HUD basis, which is materially consistent with accounting principles generally accepted in the United States of America. All appropriations lapse at HUD's program year end or at the end of grant periods.

The Authority also adopts an annual operating and capital budget which it submits to the State of New Jersey, Department of Community Affairs as required by New Jersey State law.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

T. Deferred Outflows / Inflows of Resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources until that time.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources until that time.

NOTE 2. CASH AND CASH EQUIVALENTS

At December 31, 2017, the Authority had funds on deposit in checking and money market accounts. The carrying amount of the Authority's cash was \$2,600,402 and the bank balance was \$2,812,056.

Of the bank balances, \$508,749 was covered by federal depository insurance and the remaining \$2,303,307 was collateralized with the pledging financial institution as of December 31, 2017.

Custodial credit risk is the risk that, in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a formal policy for custodial credit risk. As of December 31, 2017, the Authority's bank balances were not exposed to custodial credit risk.

NOTE 3. ACCOUNTS RECEIVABLE, NET

Accounts receivable, net consists of the following at December 31, 2017:

<u>Description</u>	<u>Amount</u>
Accounts receivable - tenants	\$ 16,146
Accounts receivable - miscellaneous	<u>20,063</u>
Total accounts receivable, net	<u>\$ 36,209</u>

Accounts receivable - tenants

NOTE 3. ACCOUNTS RECEIVABLE, NET (continued)

Accounts receivable - miscellaneous

Accounts receivable - miscellaneous consists of management fees due from the South Amboy Housing Authority for providing recurring management services. The Authority considers these amounts fully collectible and accordingly, has made no allowance for doubtful accounts.

NOTE 4. RESTRICTED CASH

Restricted cash consists of the following at December 31, 2017:

<u>Cash Category</u>	<u>Amount</u>
Housing assistance payments	\$ 40,552
Replacement reserve escrow	1,675,018
Capital reserve escrow	19,250
Tenant security deposits	<u>79,689</u>
	<u>\$ 1,814,509</u>

Housing assistance payment reserves are restricted for use only in the Section 8 Housing Choice Vouchers Program for tenant rents.

Replacement reserve escrow funds are restricted for the replacement of capital items related to the properties participating in the Rental Assistance Demonstration Program.

Capital reserve escrow funds are restricted for capital improvements related to the properties participating in the Rental Assistance Demonstration Program.

Tenant security deposits represent amounts held by the Authority on behalf of tenants participating in the Public and Indian Housing Program. Upon termination from the program, the tenant is due amounts deposited plus interest earned less any amounts charged for damage to the unit.

NOTE 5. PAYMENTS IN LIEU OF TAXES

Under Federal, State and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make a payment in lieu of taxes (PILOT) for the PHA owned program in accordance with the provisions of its Cooperation Agreement with the Borough. Under the Cooperation Agreement, the Authority must pay the Borough the lesser of 10% of its net shelter rent or the approximate full real property taxes. During the fiscal year ended December 31, 2017, PILOT expense amounted to \$33,594.

NOTE 7. NON-CURRENT LIABILITIES

During 2004, the Authority entered into a Capital Fund leveraging pool. The New Jersey Housing and Mortgage Finance Agency issued tax exempt, twenty year Capital Fund Program Revenue Bonds, 2004 Series A on December 23, 2004. The Authority's share of funds from the bond issue pool amounted to \$2,050,000. The funds received from the leveraging pool are restricted and must be spent in accordance with the Authority's Capital Fund budget within four years.

Repayment of the funds leveraged shall be budgeted from Capital Fund allocations received by the Authority from the Department of Housing and Urban Development. Interest accrues at 4.12% and is payable semi-annually on May 1st and November 1st. The bonds were paid off during the year ended December 31, 2017.

On December 28, 2017, the Authority entered into a tax exempt, forty year bond with Lakeland Bank. The Authority's share of funds from the bond amounted to \$2,300,000. The funds received are restricted and must be spent in accordance with HUD approved capital repairs and improvements schedules. The loan is secured by a first lien on the property. Interest accrues at 3.625% annually and matures on January 1, 2048. The loan is shown net of debt issuance costs of \$154,356. Amortization of debt issuance costs begins in January, 2018.

NOTE 8. PENSION PLAN

A. Plan Description

The State of New Jersey Public Employees' Retirement System ("PERS") is a cost-sharing multiple-employer defined benefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the "Division"). For additional information about PERS, please refer to the Division's Comprehensive Annual Financial Report ("CAFR"), which can be found at www.nj.gov/treasury/pensions/financial-reports.shtml.

NOTES TO FINANCIAL STATEMENTS (continued)
YEAR ENDED DECEMBER 31, 2017

NOTE 8. PENSION PLAN

B. Benefits

The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits, which vest after 25 years of service or under the disability provisions of PERS. The following represents the membership tiers for PERS:

1. Members who were enrolled prior to July 1, 2007
2. Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
3. Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
4. Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
5. Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65.

Early retirement benefits are available to tiers 1 and 2 before reaching age 60, tiers 3 and 4 before age 62 with 25 years or more of service credit before age 62, and tier 5 with 30 years or more of service credit before age 65. Benefits are reduced by a fraction of a percent for each month a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

C. Contributions

The contribution policy for PERS is set by N.J.S.A. 15A and requires contributions by active members and contributing employers. State legislation has modified the amount that is contributed by the State. The State's pension contribution is based on an actuarially determined amount, which includes the employer portion of the normal cost and an amortization of the unfunded accrued liability. Funding for noncontributory group insurance benefits is based on actual claims paid.

The local employers' contribution amounts are based on the actuarially determined rate, which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of the assets

D. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2017, the Authority reported a liability of \$3,314,156, for its proportionate share of the net pension liability. The net pension liability was measured as of July 1, 2016, and rolled forward to June 30, 2017.

For the year ended December 31, 2017, the Authority recognized pension expense of \$112,667. At December 31, 2017 the Authority reported deferred outflows of resources and deferred inflows of resources from the following sources.

	Deferred Outflows of <u>Resources</u>	Deferred Inflows of <u>Resources</u>
Changes of Assumptions	\$ 667,688	\$ 665,240
Changes in Proportion	178,236	124,033

Net differences between actual and projected earnings on pension plan investments	<u>22,567</u>	<u>-</u>
Total	<u>\$ 946,528</u>	<u>\$ 789,273</u>

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ending December 31:	<u>Amount</u>
2018	\$ 119,054
2019	179,656
2020	108,862
2021	(144,787)

	<u>\$ 157,255</u>

E. Actuarial Assumptions

The collective total pension liability for the June 30, 2017 measurement date was determined by an actuarial valuation as of July 1, 2016, which was rolled forward to June 30, 2017. This actuarial valuation used the following assumptions:

Inflation Rate	2.25%
Salary increases:	
Through 2026	1.65 - 4.15%, based on age
Thereafter	2.65 - 5.15%, based on age
Investment rate of return	7.00%

NOTE 9. PENSION PLAN (continued)

E. Actuarial Assumptions (continued)

Preretirement mortality rates were based on the RP-2000 Employee Preretirement Mortality Table for male and female active participants. For State employees, mortality tables are set back 4 years for males and females. For local employees, mortality tables are set back 2 years for males and 7 years for females. In addition, the tables provide for future improvements in mortality from the base year of 2013 using a generational approach based on the plan actuary's modified MP-2014 projection scale. Postretirement mortality rates were based on the RP-2000 Combined Healthy Male and Female Mortality Tables (set back 1 year for males and females) for service retirements and beneficiaries of former members and one-year static projection based on mortality improvement Scale AA. In addition, the tables for service retirements and beneficiaries of former members provide for future improvements in mortality from the base year of 2013 using a generational approach based on the plan actuary's modified MP-2014 projection scale. Disability retirement rates used to value disabled retirees were based on the RP-2000 Disabled Mortality Table (set back 3 years for males and set forward 1 year for females).

F. Long-Term Expected Rate of Return

The long-term expected rate of return on plan investments is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and the Division of Pensions and Benefits, the board of trustees and the actuaries. Best estimates of arithmetic rates of return for each major asset class included in PERS's target asset allocation as of June 30, 2017 are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Absolute return/risk mitigation	5.00%	5.51%
Cash equivalents	5.50%	1.00%
U.S. Treasuries	3.00%	1.87%
Investment grade credit	10.00%	3.78%

G. Discount Rate

The discount rate used to measure the total pension liability was 5.00% as of June 30, 2017. This single blended discount rate was based on the long-term expected rate of return on pension plan investments of 7.00% and a municipal bond rate of 3.58% as of June 30, 2017 based on the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rate assumed that contributions from the plan members will be made at the current member contribution rates and that contributions from employers will be made based on the contribution rate in the most recent fiscal year. The State employer contributed 40% of the actuarially determined contributions and the local employers contributed 100% of their actuarially determined contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2040. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments through 2040 and the municipal bond rate was applied to projected benefit payments after that date in determining the total pension liability.

H. Sensitivity of the Authority's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Authority's proportionate share of the net pension liability calculated using the discount rate of 5.00 percent, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (4.00 percent) or 1 percentage point higher (6.00 percent) than the current rate.

NOTE 9. OTHER POST-RETIREMENT BENEFITS

The Authority participates in New Jersey State Health Benefits Program (the "SHBP"), which qualifies as a cost-sharing, multiple-employer plan in accordance with GASB 45, *Accounting and Financial Reporting by Employers for Post-employment Benefits Other Than Pensions*. The SHBP is administered by the State of New Jersey, Department of Treasury, Division of Pension and Benefits.

Under the SHBP, retirees may continue the health benefits programs in which they are enrolled at the time of retirement, provided the retiree pays the costs of the benefits (at group rates) for themselves and their eligible dependents.

A retiree may also receive Authority-paid health benefits in accordance with the Authority's personnel policy if they are sixty-two (62) years of age and have fifteen (15) or more years of service with the Authority.

NOTE 9. OTHER POST-RETIREMENT BENEFITS (continued)

A. Contribution Requirements – SHBP

Contributions to pay for the health premiums of participating employees in the SHBP – Local are collected from the State of New Jersey, participating local employers, active members, and retired members. Local employer payments and active and retired member contributions are generally received on a monthly basis.

Local group employees are not affected by the premium sharing provisions of Chapter 8, P.L. 1996. Chapter 2, P.L. 2010, effective May 21, 2010, requires a minimum contribution of 1.5% of base salary toward the cost of health care benefits coverage by all active public employees. Employees of the State, local governments, and boards of education who become a member of a State or locally-administered retirement system on or after the law’s effective date would be required to pay in retirement 1.5% of their pension benefit toward the cost of health care coverage under the SHBP.

Chapter 78, P.L. 2011, effective June 28, 2011, established new employee contribution requirements towards the cost of employer provided health benefit coverage. Employees are required to contribute a certain percentage of the cost of coverage. The rate of contribution is determined based on the employee’s annual salary and the selected level of coverage. The increased employee contributions will be phased in over a 4-year period for those employed prior to Chapter 78’s effective date with a minimum contribution required to be at least 1.5% of salary. For those employed on or after June 28, 2011, the 4-year phase-in does not apply and contributions based on the full percentage rate of contribution are required. Under Chapter 78, certain future retirees eligible for employer-paid health care coverage at retirement will also be required to pay a percentage of the cost of their medical coverage determined on the basis of their annual retirement benefit.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of the SHBP. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey 08625-0295.

The SHBP is established under the authority of N.J.S.A. 52:14-17.25 et seq. and regulations adopted by the State Health Benefits Commission. The required contribution rate is determined on an annual pay as you go basis. The following were the required contributions:

<u>Year</u>	<u>Amount</u>
2017	\$ <u><u>55,047</u></u>
2016	\$ <u><u>47,340</u></u>

NOTE 10. RESTRICTED NET POSITION

As of December 31, 2017, restricted net position totaled \$40,552, and consisted of housing assistance payment reserves which are restricted for use only in the Section 8 Housing Choice Vouchers Program for tenant rents.

NOTE 11. CONTINGENCIES

The Authority receives financial assistance from HUD in the form of grants and subsidies. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditure of the funds for eligible purposes. Substantially all grants, entitlements and cost reimbursements are subject to financial and compliance audits by HUD. As a result of these audits, costs previously reimbursed could be disallowed and require payments to HUD. As of December 31, 2017, the Authority estimates that no material liabilities will result from such audits.

NOTE 12. RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disaster. The Authority is a member of the New Jersey Public Housing Authorities Joint Insurance Fund (JIF). The joint insurance pool is both an insured and self-administered group of housing authorities established for the purpose of insuring against property damage, general liability, motor vehicles and equipment liability and workmen's compensation. The Joint Insurance Fund will be self-sustaining through member premiums. There have been no significant reductions in insurance coverage. Settlement amounts have not exceeded insurance coverage except for deductibles for the previous three years.

NOTE 13. SUBSEQUENT EVENTS

Events that occur after the financial statement date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the financial statement date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the financial statement date require disclosure in the accompanying notes to the financial statements. Management evaluated the activity of the Authority through September 17, 2018 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Commissioners
Housing Authority of the Borough of Carteret:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Housing Authority of the Borough of Carteret (the "Authority") as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Authority's financial statements, and have issued our report thereon dated September 17, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND
NEW JERSEY OMB CIRCULAR 15-08**

To the Board of Commissioners
Housing Authority of the Borough of Carteret:

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the Borough of Carteret's (the "Authority") compliance with the types of compliance requirements described in the Uniform Guidance that could have a direct and material effect on each of the Authority's major federal programs for the year ended December 31, 2017. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the State of New Jersey OMB Circular 15-08, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Report on Internal Control Over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of the Authority under programs of the federal government for the year ended December 31, 2017. The information in the Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the Authority, it is not intended to and does not present the net position, changes in net position or cash flows of the Authority.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, and OMB Circular A-87, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3. INDIRECT COST RATE

The Authority has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.
