Protection required. No person shall park, stop or permit a roll-off container, dumpster or other container on any public sidewalk and/or in any public street if the site has a driveway or other similarly available space upon which to place said dumpster or container.

Any person who wishes to park, stop or permit a roll-off container, dumpster, or other container on any public street or sidewalk, or on any private property, must obtain a permit therefore from the Zoning Office. The fee for said permit shall be \$15.00 for the first 60 days. An additional fee of \$10.00 shall be paid for a 30-day extension of the permit. The roll-off container, dumpster or other container must be removed from site at the end of this period, unless otherwise approved by the Zoning Office, in its sole discretion, and the payment of a new permit fee.
