

A Central Jersey Dining Guide

Come to Carteret for dinner and a show

Dear Neighbor:

I would like to invite you to discover the **Borough of Carteret**. With more than \$3 billion in private redevelopment, exciting festivals, and an array of shopping opportunities, Carteret is quickly becoming a premier destination for individuals throughout the Central Jersey region. We have invested more than \$250 million in public improvements by upgrading our parks; the construction of the marina, Waterfront Park, and Riverwalk, and the expansion of a downtown, including the state-of-the-art URSB Carteret Performing Arts & Events Center, swiftly becoming the centerpiece of a Borough whose motto is "The Center of It All."

With more and more people visiting Carteret each year, we have seen a rapid expansion of dining options that are sure to please, whatever your tastes might be. Carteret is now home to some of Central New Jersey's most enjoyable dining experiences. More eateries are coming to Carteret to join our beloved establishments, such as Alfredo's Pizza, Burger Express, Santini's Seafood & Steakhouse, and Punjabi Dhaba. Additions to the Arts District will include Najela, the Carteret Pier Pavilion and a proposed 320-seat eatery on Cooke Avenue.

There's always room to grow! If you are a restaurateur, chef, or manager of a restaurant, and have an interest in opening an eatery or an expansion of your current business, Carteret, the New Jersey Urban Enterprise Zone, and the Carteret Business Partnership can help you! We have an array of grants and loans available to help promote the success of small businesses in the Borough. Additionally, the Borough's status as an Urban Enterprise Zone allows you to take advantage of numerous state benefits, including several tax incentives, and in many cases, only 3.5% sales tax for customers.

The pages that follow will let you discover for yourself what so many people already know; that *Carteret is a great place to live, work, and dine!*

Carteret – Destination BUSINESS

Looking for the competitive edge to help your business grow and thrive? Carteret has the answer! Carteret Urban Enterprise Zone (UEZ) designation provides participating businesses with an advantage by providing state UEZ-funded projects, incentives, tax benefits, and the competitive edge great entrepreneurs seek. The Carteret UEZ and special improvement district partner, Carteret Business Partnership, provide public/private sector resources that fund our Small Business Programs.

Carteret Small Business Programs include business incentives, tax benefits, matching grants for new sign, facade and awning building improvements, startup/expansion grants, marketing grants and low interest loans in partnership with Citizens Bank. Carteret Business Partnership dedicates more than \$1 million in private sector funding to manage the business environment along with the Carteret UEZ Program incentives and tax benefits to participating businesses. These programs are highly successful and have served as a catalyst for \$250 million in capital investments in our commercial properties.

Nearly 100 businesses participate in the Carteret UEZ and support more than 2,600 full time jobs. Carteret UEZ Program has attracted more than \$1 billion in private investment, while in excess of \$10 million have been dedicated to Carteret projects, including streetscape enhancement programs, the construction of URSB Carteret Performing Arts & Events Center and RWJ Fitness & Wellness Center, and the revitalization of the Carteret Waterfront with Waterfront Park, Veterans Pier and its forthcoming pavilion, a marina, a forthcoming ferry terminal building, a movie studio, hotel, and variety of multiuse properties, and a continually growing River Walk.
